Chancellor's Update

What's Next?

Over the past year or so the Chancellor's Update has tried to keep you abreast of the goings on inside the Vatican. The Update has pointed out the changes in Russian policy concerning moral questions of abortion to having more children, while the United States is going in the other direction. Pope Benedict XVI at Fatima in 2010 raised the fact that the message of Fatima has not yet been completed. Pope Francis, in continuing Benedict's policy, made very strong appeals to avoid escalating the war in Syria, traveled to Jerusalem searching for peace and to South Korea, indicates that the Vatican is trying to prevent wars. Also, Pope Benedict and Pope Francis have increased the number of priest exorcists particularly for Italy. With the recent scheduling of a "black mass" in Boston and now in Oklahoma, maybe the Vatican is trying to tell us something.

Since the Church, the bride of Christ, exists to help people to get to heaven, maybe the enemies of the Church are also planning something in the opposite direction.

The following is taken from the book Pawns In The Game by William Guy Carr, sixth edition 1967, or in the book Hope of the Wicked by Ted Flynn, copyright 2000. Both of these books are worth reading and studying if you are a serious student of history.

"On August 15, 1871, Pike told Mazzini that after World War Three is ended, those who aspire to undisputed world domination will provoke the greatest social cataclysm the world has ever known. We quote his own written words (taken from the letter catalogued in the British Museum Library, London, Eng.):" (Pawns In The Game Pg. XVI)

We shall unleash the Nihilists and Atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will be from that moment without compass (direction), anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view, a manifestation which will result from the general reactionary movement which will follow the destruction of Christianity

and Atheism, both conquered and exterminated at the same time.

“When Mazzini died in 1872, Pike made another Italian revolutionary leader, named Adriano Lemmi, his successor. Lemmi was later succeeded by Lenin and Trotsky. The revolutionary activities of all these men were financed by British, French, German, and American international bankers. The reader must remember that the International Bankers of to-day, like the Money-Changers of Christ’s day, are only tools or agents of the Illuminati.

“While the general public has been led to believe that Communism is a movement of the workers (Soviets) to destroy Capitalism, “Pawns In The Game” and “The Red Fog Over America” prove that both British and American Intelligence Officers obtained authentic documentary evidence which proved that internationalist *capitalists* (meaning **Monopoly in those days not our free enterprise system**) operating through their international banking houses had financed both sides in every war and revolution fought since 1776. Those who to-day comprise The Synagogue of Satan direct our governments, whom they hold in usury, to fight the wars and revolutions so they further Pike’s plans to bring the world to that stage of the conspiracy when Atheistic-Communism and the whole of Christendom can be forced into an all-out war within each remaining nation as well as on an international scale.

“There is plenty of documentary evidence to prove that Pike, like Weishaupt, was head of the Luciferian Priesthood in his day. In addition to the letter he wrote Mazzini in 1871, another he wrote to the heads of his Palladian Councils July 14th, 1889 fell into hands other than intended. It was written to explain the Luciferian dogma, concerning worship of Satan and worship of Lucifer.”

“Weishaupt’s plot requires: ([Pawns In The Game Pg. XVIII - XIX](#))

1. Abolition of ALL ordered national governments.
2. Abolition of Inheritance.
3. Abolition of private property.
4. Abolition of patriotism.
5. Abolition of the individual home and family life as the cell from which all civilizations have stemmed.
6. Abolition of ALL religions established and existing so that the Luciferian ideology of totalitarianism may be imposed on mankind.”

If one views the events of the day, we can find the above information stunningly obvious. As in the days of Old the Lord spoke through the prophets, and the people of Israel did not listen and were enslaved. Today if we do not listen to the Saints and popes, we may find ourselves in the same situation that the people of God did centuries earlier.
